Why MHP Grills? In a word...**Quality**

DESIGN & CONSTRUCTION

- Proudly made in the USA
- MHP Grills average a life span of 20+ years (Industry average is 4 years)
- Constructed of commercial grade 304 stainless steel & cast aluminum for lasting durability
- Our cast aluminum and commercial grade 304 stainless steel design withstand the elements better than any other material

GRILLING EXPERIENCE

- Porcelain briquettes provide consistent even heat distribution and minimize flare-ups
- Cast Aluminum housings provide ultimate heat retention
- Choose grill features and add optional upgrades to customize for specific needs

LIFETIME SERVICE

- Backed by one of the most comprehensive lifetime warranties in the industry
- Quality materials and construction means easier to maintain and less to replace
- Perform maintenance easily on an MHP Grill for a lifetime of service
- Friendly and knowledgeable customer service specialists readily available for the lifetime of the grill

MHP is the only company that offers SearMagic Grids as an integrated cooking grid option.

FREE-STANDING & POST MOUNT GRILLS

MHP is one of the only companies offering a variety of mounting applications—including post mount grill options ideal for patio or in-ground applications— allowing you to customize your grill for your space, needs and style. All parts are constructed with commercial grade stainless steel and/or aluminum and equipped to withstand the harshest elements.

All of our Free-Standing & Post Mount Grills are available in either Natural or Propane Gas.

BUILT-IN GRILLS

Create your perfect outdoor entertainment space

Built-in grills are perfect for those who like to spend valuable time entertaining—and feeding—family and friends in a dedicated outdoor space. With your grill built right into outdoor countertops, you get a seamless design that instantly boosts the style and value of your home, all while making it easier to grill up your favorite steaks, chops and vegetables. MHP offers a variety of built-in grill heads and accessories specifically designed to enhance your grilling experience. Made in the USA and covered by a Limited Lifetime Warranty*.

All of our Built-in Grills are available in either Natural or Propane Gas.

MHP 4-GEN SERIES
JNR, WNK, TJK GRILL HEADS

“

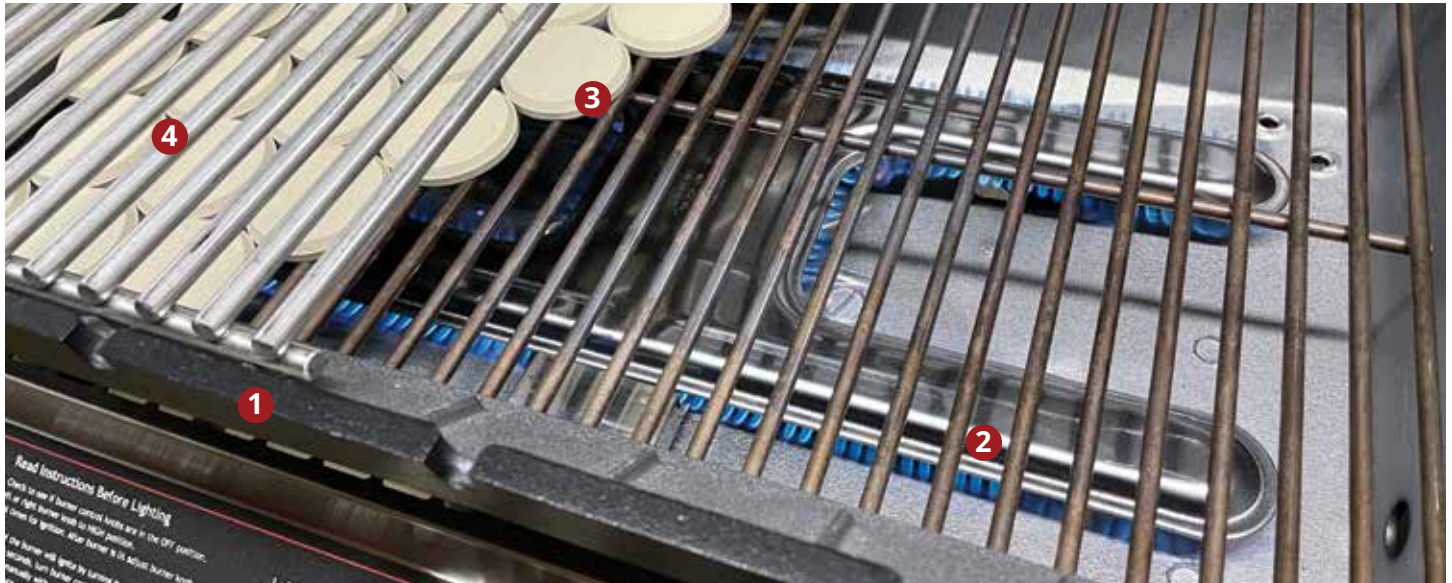

Kudos to MHP for manufacturing the most well made, high quality grills anywhere. Our previous MHP grill lasted 20 years, despite being exposed to weather outside! Unbelievable!

Our current model is over ten years old and still like new.

GARY & MARGO, ILLINOIS

The 4-Gen Series—a grill for the generations.

The entire grill—starting with the solid and durable housing to the proven interior components—paired with a variety of mounting options, cooking surfaces and upgrades allows customization for any lifestyle, space and budget.

1 SOLID CAST ALUMINUM HOUSINGS

Permanent mold cast aluminum housings (not die-cast) allow greater thickness while providing years of endurance and unmatched cooking performance.

2 H-STYLE STAINLESS STEEL BURNER

Longer lasting burner gas ports are uniform in size and shape, providing uniform flame on each port. Entire venturi is made of stainless steel and has a built-in Spider Guard.

3 PORCELAIN BRIQUETTES & STAINLESS STEEL ROCK GRATE

Long lasting Flavor Master briquettes provide food with a cleaner, fresher barbecue flavor and will not rust. Our stainless steel heavy-duty rock grate provides maximum durability and heat retention.

STA-KOOL STAINLESS STEEL HANDLE

Our quality Sta-Kool handle stays cool to the touch even while grill is in use.

ELECTRONIC IGNITION

With a specially designed stainless steel collector box, gas and air are combined to provide faster starts from either side of burner. Battery included.

STAINLESS STEEL SWING-AWAY WARMING RACK

Standard on most of our models, our Stainless Steel Swing-Away Warming Rack can be used to keep items warm or as a secondary cooking surface. (Standard on WNK & TJK. JNR models come with a stationary drop-in warming rack)

STAINLESS STEEL DROP-DOWN SHELVES

Each drop-down shelf comes with built-in utensil holders and can easily be folded down when not in use to create additional patio space. *Extremely durable and FDA approved. (JNR has 1 shelf, WNK & TJK have 2 shelves)*

KEY FEATURES

4-GEN SERIES

- H-style burner design provides superior heat distribution
- Ease-of-use and low maintenance

Your Choice

4 PROFESSIONAL GRADE STAINLESS STEEL COOKING GRID

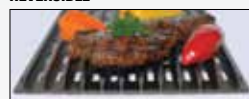

Commercial-grade 304 stainless steel cooking grids are built to last and easy to maintain.

SEARMAGIC COOKING GRIDS

A Modern Home Products Grill Feature. These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature.

The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

3 Reasons to Create an Outdoor Entertainment Area

1. Meal prep is a breeze

Instead of being stuck in the kitchen you can chat with friends and family while you prepare a fantastic meal. Less clean-up too!

2. Fits any lifestyle

Plenty of options to fit specific uses, spaces and budgets.

3. Provides health benefits

Outdoor spaces create the perfect opportunity to decompress after a long, tiring day. Being outside has been shown to lower stress levels.

Customize and complete your outdoor entertainment area

Constructed of heavy-duty commercial-grade stainless steel all of our options are specifically designed to enhance your grilling experience and built with same level of craftsmanship that we put into our grills. Made in the USA and covered by a Limited Lifetime Warranty*.

**MHP TRI-BURN SERIES
W3G & T3G GRILL HEADS**

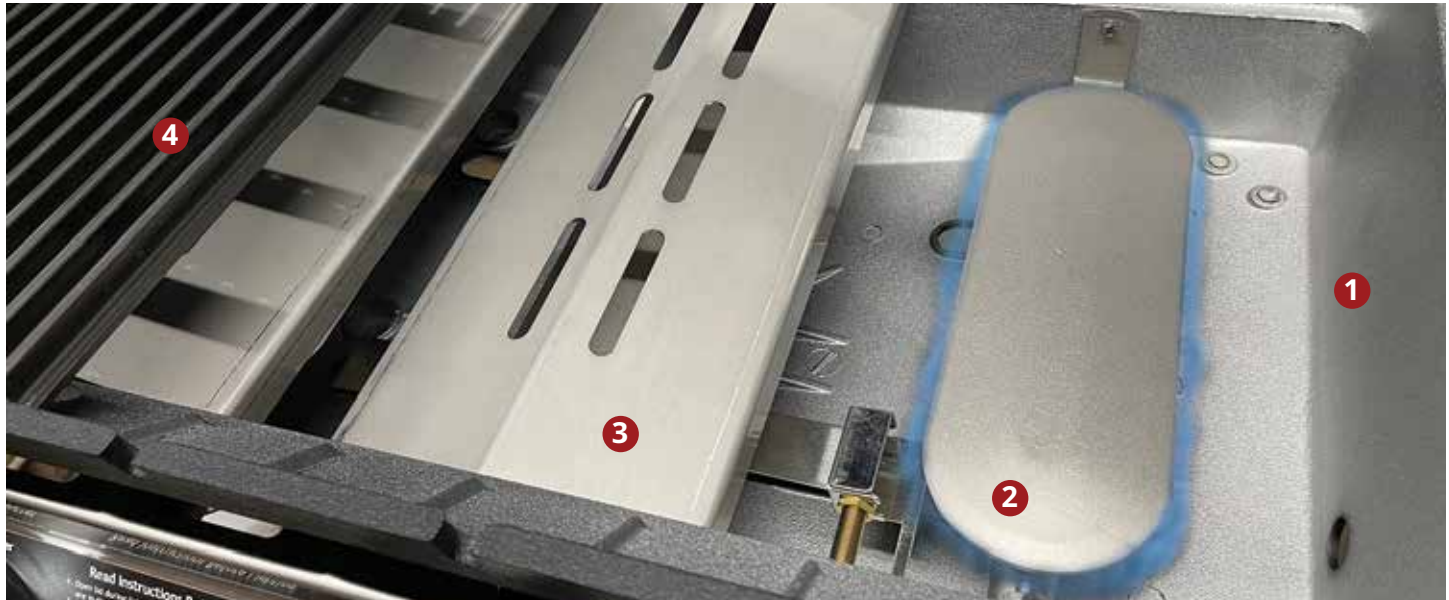

“

I've owned many premium offerings that cost many thousands of dollars and my MHP is a significantly better grill. It's the best grill I've ever owned.

JOE, COLORADO

The Tri-Burn Burner System creates greater flexibility for indirect grilling.

Three cast stainless steel oval burners and flavor plates with individual temperature controls provide increased efficiency and flexibility when cooking. The Cast Stainless Steel Burners come with a lifetime warranty.

1 SOLID CAST ALUMINUM HOUSINGS

Permanent mold cast aluminum housings (not die-cast) allow greater thickness while providing years of endurance and unmatched cooking performance.

2 CAST STAINLESS STEEL OVAL BURNERS

Cast as one solid piece of stainless steel—as opposed to welding pieces together—these burners offer superior quality, performance and excellent rust resistance.

3 FLAVOR PLATES

Quality stainless steel construction distributes heat evenly across the cooking surface and prevents fat and drippings from falling onto the burners.

4 SEARMAGIC COOKING GRIDS

A Modern Home Products Grill Feature

These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature.

The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

MHP INFRARED SERIES WRG & TRG GRILL HEADS

“

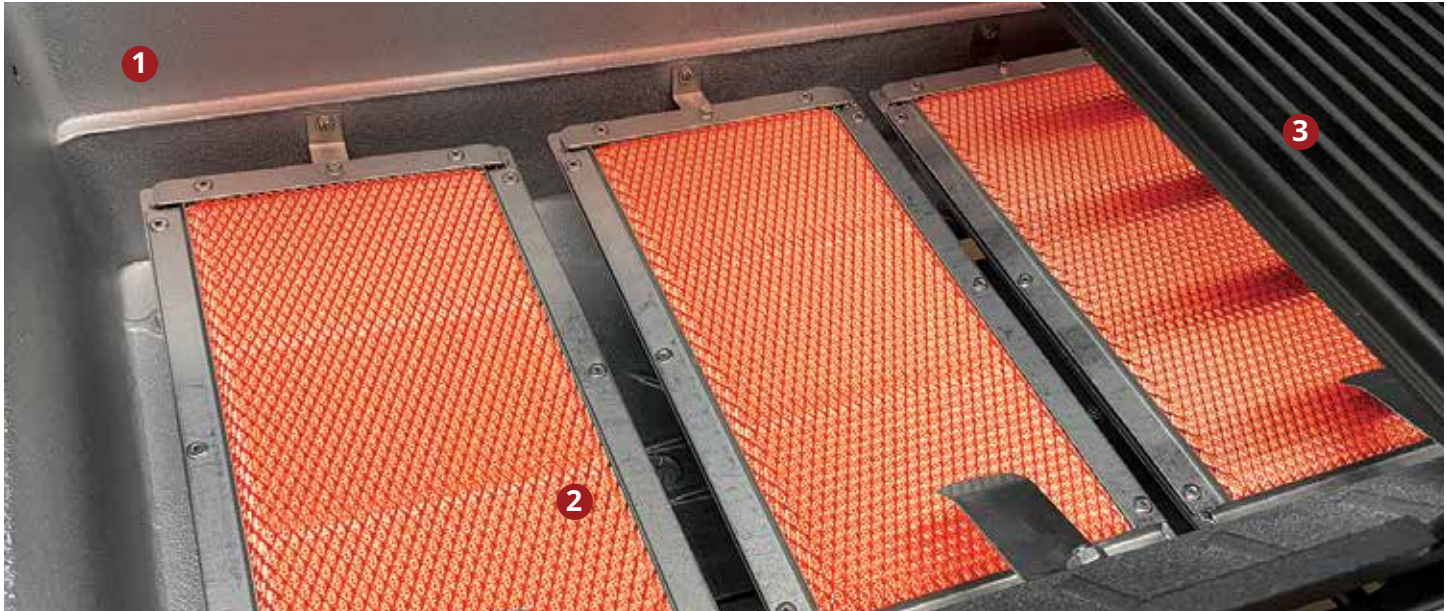

I purchased my WNK grill back in 1997, and with a few replacement parts now and then, it has been going strong for 23 years.

BOB, TEXAS

The Infrared Burner System grills food in half the time, saving time and fuel.

Infrared burners quickly reach an intense heat that saves time and seals in meat juices for better flavor. The high intense heat also reduces flare-ups by vaporizing juices instantly. Individual temperature controls allow for a variety of heat settings.

1 SOLID CAST ALUMINUM HOUSINGS

Permanent mold cast aluminum housings (not die-cast) allow greater thickness while providing years of endurance and unmatched cooking performance.

2 STAINLESS STEEL & CERAMIC INFRARED BURNER

These burners heat up fast with an intense heat—perfect for sealing in flavor and reducing flare-ups

3 SEARMAGIC COOKING GRIDS

A Modern Home Products Grill Feature

These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature.

The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

REVERSIBLE

Ribbed Side

Smooth Side

STA-KOOL STAINLESS STEEL HANDLE

Our quality Sta-Kool handle stays cool to the touch even while grill is in use.

ELECTRONIC IGNITION

With a specially designed stainless steel collector box, gas and air are combined to provide faster starts from either side of burner. Battery included.

STAINLESS STEEL SWING-AWAY WARMING RACK

Standard on most of our models, our Stainless Steel Swing-Away Warming Rack can be used to keep items warm or as a secondary cooking surface.

STAINLESS STEEL DROP-DOWN SHELVES

Each drop-down shelf comes with built-in utensil holders and can easily be folded down when not in use to create additional patio space. *Extremely durable and FDA approved.*

KEY FEATURES

ALL INFRARED BURNERS

- Heats up quickly and grills food in half the time, saving time and fuel
- High temperatures seal in natural juices and prevents food from drying out.
- Individual temperature controls allow for a variety of heat settings

INFRARED MOUNTED GRILL HEADS

MHP HYBRID SERIES WHRG & THRG GRILL HEADS

“

We had our first cookout last night on our new grill. Your company is the best and my son-in-law said he would never buy another grill if it were not an MHP grill. This will be remembered as one of the best purchases we ever made.

CAROLE, MASSACHUSETTS

With the Hybrid Burner System three different cooking zones are created giving you ultimate flexibility— an infrared burner for time-saving grilling and two cast stainless steel burners for traditional grilling. Individual temperature controls for each burner gives you complete control over your grill experience.

1 SOLID CAST ALUMINUM HOUSINGS

Permanent mold cast aluminum housings (not die-cast) allow greater thickness while providing years of endurance and unmatched cooking performance.

2 STAINLESS STEEL & CERAMIC INFRARED BURNER

These burners heat up fast with an intense heat—perfect for sealing in flavor and reducing flare-ups.

3 CAST STAINLESS STEEL OVAL BURNERS

Cast as one solid piece of stainless steel—as opposed to welding pieces together—these burners offer superior quality, performance and excellent rust resistance.

4 PORCELAIN BRIQUETTES & STAINLESS STEEL ROCK GRATE

Long lasting briquettes provide food with a cleaner, fresher barbecue flavor and will not rust. For long life, our Stainless Steel Heavy-Duty Rock Grate provides maximum durability and heat retention.

5 SEARMAGIC COOKING GRIDS

A Modern Home Products Grill Feature

These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature.

The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

REVERSIBLE

Ribbed Side

Smooth Side

STA-KOOL STAINLESS STEEL HANDLE

Our quality Sta-Kool handle stays cool to the touch even while grill is in use.

ELECTRONIC IGNITION

With a specially designed stainless steel collector box, gas and air are combined to provide faster starts from either side of burner. Battery included.

STAINLESS STEEL SWING-AWAY WARMING RACK

Standard on most of our models, our Stainless Steel Swing-Away Warming Rack can be used to keep items warm or as a secondary cooking surface.

STAINLESS STEEL DROP-DOWN SHELVES

Each drop-down shelf comes with built-in utensil holders and can easily be folded down when not in use to create additional patio space. *Extremely durable and FDA approved.*

KEY FEATURES

WHAT IS NOT COVERED

- Transportation and shipping costs
- Labor for replacement or repairs
- Damage from accident, misuse, alteration, abuse or improper storage, installation or lack of maintenance
- Removal and reinstallation cost
- Finishes on the surface that are damaged by improper installation, improper storage, accident, misuse, abuse or alteration
- Inoperable due to improper installation or storage
- The cost of a service call to diagnose a problem
- Discoloration due to exposure of chemicals either directly or in the atmosphere such as chlorine, fertilizers, lawn pesticides, and salt can affect the Stainless Steel components and for this reason, does not fall under the warranty terms. Deterioration or damage due to severe weather conditions such as hail, excessive humidity, hurricanes, earthquakes, tornadoes, or other acts of God are not covered by this Limited Warranty. **Discoloration of Stainless Steel including but not exclusive to surface rust is normal and is not covered by this Warranty. Therefore the discoloration, surface rust or rust are not covered unless there is a loss of structural integrity or rust through.**
- Damage caused by insects within venturi/burner tubes resulting in a flashback
- Burners, clogged due to rust or food residue
- All warranties are non-transferable and apply only to the original purchaser
- Warranties are null & void if grills are put into commercial or community use
- Warping of SearMagic® Cooking Grids and SearMagic® Warming Racks is not covered by this warranty

The warranty does not imply or assume any responsibility for consequential damages that might result from use, misuse, or improper installation of this cooking appliance.

This warranty does not cover claims which do not involve defective workmanship or materials.

A BILL OF SALE, CANCELLED CHECK, OR PAYMENT RECORD SHOULD BE KEPT TO VERIFY PURCHASE DATE AND ESTABLISH WARRANTY PERIOD.

Thank you to MHP for providing a perfect example of how to do customer service right!

I have had MHP gas grills in both my homes for years, and I continue to be a happy customer because of the quality of your products and the people in the organization.
